Prescription Services

At eChemist, we want to help you get the most from your prescription medication.

We dispense both NHS and Private Prescriptions and provide a number of additional NHS services to assist you:

Dispensing Prescriptions

We dispense both NHS and Private Prescriptions and can also supply special medication or appliances straight to your door.

NHS Repeat Prescriptions

If you are taking regular repeat medication prescribed by your GP, we can make your life a lot easier by managing your repeats for you.

Delivery Service

We have a dedicated delivery team that will deliver your medication to you at home.

Medication Usage Reviews

If you take regular medication, our pharmacist will be more than happy to review your medication and how you administer them to make sure you are getting the most out of them. They will also be more than happy to discuss any concerns that you may have.

Emergency Supplies

If you urgently require medication and cannot get to your doctor. We will do our best to help you.

Sign Posting

We have a vast list of sign posting options available online.

Self-care Help and Advice

Our helpful pharmacy team can advise you on treating minor illnesses and buying over the counter medication.
